Council To Take Legal Action Over Smoke

Altona Council will institute legal proceedings against the Australian Petrochemical Company Ltd. over smoke emitted by the company on April 22.

The decision to institute proceedings, moved by Cr. C. W. Carlsson, was carried on the Mayor's casting vote.

The Mayor, Cr. P. A. Burns, also exercised his casting vote to defeat an amendment by Cr. W. L. J. Crofts, calling for a legal opinion before instituting proceedings.

Cr. D. K. Grant pointed out the smoke occurred on "Earth Day" — the day set aside in the U.S.A. for protests against environmental pollution.

The City Health Inspector tabled a report on the smoke, stating that six complaints had been lodged with Council and the black smoke had been observed by officers of his department.

Supporting Cr. Carlsson's motion, Cr. P. J. Lynch said it was time Council took action.

"Two weeks ago we had two petitions about nuisances caused by this company," he said. "Frankly, I feel we have been wearing kid gloves too long — and now it's time to take them off."

Cr. Crofts said he was not underrating the expert advice of Council officers, but asked if a legal opinion should be obtained before legal proceedings were instituted. "I feel this would be the most appropriate action," he said.

The Town Clerk, Mr. J. W. Waters, said obtaining a legal opinion would be the safest procedure, but would also be most time consuming.

He said previous actions by the Council had been modelled on earlier legal opinions. Cr. Crofts then asked Cr. Carlsson to change his motion to seek a legal opinion. When this was refused he moved his amendment.

Cr. Grant asked Cr. Crofts why he suggested this action. "I know the Clean Air Act is such that you can almost drive a horse and cart through it," he said, "but I would be interested to know Cr. Crofts' reasons."

Cr. Crofts said a Queen's Council would have to be retained to support the Council's case. "This would be a considerable expense," he said. "If we decide tonight to take this action, then we are later advised that we are on thin ice, it would mean money down the drain."

"This is a precautionary action, but it would put us on safer ground. We would not be letting our ratepayers down, but we would be protecting them."

Cr. Grant said he knew it was difficult to win court action under the Clean Air Act, and could understand Cr. Crofts' advice.

"But I do concur with Cr. Lynch's comments," he said. Cr. Carlsson said he moved his motion with the Council's medical officer of health's report to the last Council meeting in mind.

The Medical Officer of Health, Dr. J. H. Leyden, said at the last meeting of Council that a number of people in Altona West were suffering from respiratory complaints which had been attributed to "odours, vapours and gases emanating from the nearby Petrochemical complex."

"In view of that report I consider the matter urgent," said Cr. Carlsson.

"The Medical Officer of Health's report referred to odours," Cr. Crofts pointed out. "This is a matter of smoke, so the report has nothing to do with it."

Cr. Carlsson's motion was then carried. Earlier in the meeting the Council received a letter from Mr. V. O. Dickie, Minister of Health, replying to Council's complaints about air pollution and noise arising from the Petrochemical Company.

Mr. Dickie said officers from his department had seen the dark smoke emitted by the company on a number of occasions.

"The Commission of Public Health has written to the Company drawing their attention to this matter and a reply is now awaited," he said.

He said that if the Council did not wish to wait for the Health Department to take action on the company's reply, the Commission of Public Health had already delegated the administration of Clean Air Regulations to municipal councils.

He added that the Local Government Act had been amended to give councils the power to make by-laws in respect of noise.

"Your attention is drawn to the recent increase in height of the boiler chimneys at these works," Mr. Dickie continued.

"This modification leads to very much lower ground concentrations of pollutants. As the height of the stacks has been doubled, the ground concentrations from this source will have been reduced to one-quarter of the previous value."

"Odours from the plant will be markedly reduced when the company processes natural gas as their feedstock in lieu of their refinery products."

"You may rest assured that officers of my Department will continue to pursue these matters until a satisfactory solution is obtained."

Council will inform Mr. Dickie of what had taken place since his letter was written earlier this month. Copies of letters relating to noise and air pollution will also be sent to him.

"I think it is worthwhile giving him every detail of the problem so he will be aware of the situation in Altona," said Cr. Grant.

Council decided to have a special meeting before its next general purposes committee to decide what action it should take as a follow-up to notices it served on the Petrochemical Company allowing it 14 days to take all steps necessary to end the emission of offensive odours and excessive noise.

Cr. Grant told Council the time allowed in the notice would expire on Friday.

Health inspectors were directed to make daily inspections of the complex after the time expired and to make reports of their findings to Council.

Plans Made For Crossing Roads

The Country Roads Board will pay \$31,000 for reconstruction of roads running into parts of the Lower Yarra Freeway.

Mr. R. C. Simmons, Altona's City Engineer, told Council last week that certain streets on the north side of the freeway would end in courts, while those on the south side would have either vehicle or pedestrian access between them where they ended at the freeway.

YACHT CLUB WANTS CAR PARK

Cr. P. J. Lynch told council on Tuesday that he was against a plan by the Altona Yacht Club for a "members only" car park adjacent to the yacht club.

The club sought council permission for the car park "because of problems created by boat owners and other beach users parking vehicles close to the yacht club."

Mr. J. W. Waters, Town Clerk, said a lease agreement with the club had been prepared and could be completed when plans of Cresser Reserve had been drawn.

Cr. Lynch said the matter of the car park should be discussed when the lease was before council for approval.

Many people use this area, and if they want a car park they should provide it in their building area," he said. "It would be bad for the people of Altona if we started giving parcels of land for clubs for their exclusive use."

Cr. W. L. J. Crofts said council had already approved a car park for the area near the club.

"We should look at the area as a whole," he said, "not just one small piece of it."

COUNCIL WISHES WHITTEN WELL

Altona Council will wish Footscray footballer Teddy Whitten well in a letter planned to reach Whitten just before his record-breaking final V. F. L. game on Saturday.

Cr. P. J. Lynch said he believed Whitten was an example to young boys in the district, and a credit to football generally.

"It doesn't matter if you follow football, soccer or rugby," he said. "We have all heard of Ted Whitten."

AGREED ON PLAN

Altona Council has agreed in principle to a Country Roads Board plan for altering the footpath on the east side of Millers Road, north of the railway line.

The Country Roads Board will be asked to provide easy access to the railway station and adequate car parking area.

No Petrol

Altona Council has refused an application by S. A. and S. R. Bonney, Punt Road, Richmond, to establish a petrol filling station on vacant land at the corner of Powlett and Queen Streets.

Father Nooney Retires

The resignation of Fr. Nooney as Pastor of St. Mary's, Altona, has been accepted by Archbishop Knox. As Pastor Emeritus of the parish Fr. Nooney will reside with his sister Mary, in Davies Street, Altona.

Father Brendan Torr has been appointed Parish Priest in his stead.

In a letter to the Archbishop, Father Nooney requested that he be relieved from the responsibility of the needs of the parish of Altona.

On April 17, Archbishop Knox accepted Father Nooney's resignation and made him Pastor Emeritus of this parish.

Father Noonan became associated with the Altona Church in 1946 as administrator and was appointed parish priest in 1952. He thus has served St. Mary's for 24 years.

The Altona Church, after small beginnings in the twenties, was appointed a separate parish in 1942. Since then its progress and development has been largely under the guidance of Father Nooney.

Corresponding with the progress of Altona, St. Mary's, under Father Nooney, has grown over the years.

The main school building erected as a church school, was opened by Archbishop Mannix in 1950. The present Church was opened in 1965

by Bishop Fox. Two additional classrooms in Sargood Street were completed in 1959 and further additions are now in hand. A presbytery was erected in 1956. St. Joseph's Convent was completed in the next year.

The growth of Catholicism in Altona and western areas led to the establishment of Mount St. Joseph Girls' School and St. Paul's regional College in Altona. Father Nooney took a leading part in these developments.

Father Nooney's association with the physical aspects of the growth of the parish was complemented by his devotion to the life and spiritual needs of his charge.

His relationship with other churches has been discerning and co-operative.

Father Brendan Torr, formerly parish priest of Montmorency for nine years, will become parish priest of Altona.

The Mayor of Altona, Cr. P. A. Burns, said on Tuesday that a dinner would be held in the Council's committee room to honor Father Nooney. "Representatives from all denominations will be invited to the dinner," said Cr. Burns. "Other things which take place during the evening will prove a fitting tribute to Father Nooney's work."

Cr. W. L. J. Crofts said everyone who knew Father Nooney would agree that he was "a man of many ways, and a true man of God."

"He has been here for 24 years — a little longer than I have been in Altona," Cr. Crofts said. "I believe the Council should honor him in a manner befitting. He has always continued working to make Altona a good place to live."

Cr. Crofts said Father Nooney's assistant for many years, Father M. Kelleher, would be transferred from Altona soon.

Traffic Lights

Tenders have been called for the installation of traffic lights at the corner of Geelong and Millers Roads, Cr. W. Sommers told Altona Council on Tuesday.

He said it was hoped that the lights would be operating by the end of this financial year.

New Health Inspector

"The Commission of Public Health has approved the appointment of Mr. J. A. Russell as an Altona health inspector."

HOUSING STANDARDS

Cr. D. K. Grant will represent Altona Council at a meeting of the Associated Councils' Committee on Residential Standards this week.

The Committee will ask the Board of Works to safeguard the right of municipal Councils to propose amendments to the zoning of areas in their municipalities.

Industrial firms will come to Altona to dump all their rubbish."

Mr. Simmons said he agreed with Cr. Lynch.

"Industries have started to use our tip over the last few weeks because they have had nowhere else to go," he said. "I believe they could continue coming here even after nearer tips open."

"I believe this should be discouraged as much as possible. I am in favor wherever possible of keeping our tip for Altona ratepayers only." He said he would submit a further report to Council.

COUNCIL TIP UNDER FIRE

The State Health Department has censured Altona Council for failing to comply with regulations at the Altona North rubbish dump.

In a letter to Council on Tuesday the Health Department said one of its officers had reported that the dump was not being operated in accordance with requirements of the General Sanitary Regulations in that garbage was not being adequately covered and compacted.

The Health Department added that during a recent inspection of the tip some garbage was seen to be on fire.

"The need to take immediate action to extinguish fires which occur at the depot has been previously brought to the attention of your Council officers," the Department wrote.

The Council was asked to submit its comments on the depot to the Department, together with proposals to ensure adequate covering material was available at the depot in future to enable compliance with the regulations.

Cr. C. W. Carlsson pointed out that no household garbage had been left uncovered. He said the distinction between rubbish — industrial and backyard rubbish — and household garbage should be made clear.

Cr. P. J. Lynch asked the

City Engineer, Mr. R. C. Simmons, to comment on the Health Department's letter.

"As much soil as is available from the Council's own works is being delivered to the rubbish tip for spreading over garbage and rubbish," Mr. Simmons said. "It is expected that the tip will no longer be required after May, when the new tip area adjacent to The Pines will be opened."

"Basically, we have very little soil available from Council works at the moment. Our policy is to buy as little soil as possible, as it is a very costly proposition. We were caught without any soil on this occasion."

"The situation is aggravated by Footscray and Williamstown having no tips available for rubbish — not garbage."

"We have two factors to contend with — more rubbish, but no soil."

"We are now taking steps to overcome the problem."

Cr. Lynch said he had heard that a new tip in another municipality would charge \$1 per yard of rubbish dumped when it opened soon. "Our charge is \$1 per load," he said. "I feel that if we charge less here, the

Williamstown Ferry

An article giving the history of the Williamstown ferry was published on April 15. An addition to that story is given in this extract from "The Age" dated June 13, 1928.

FERRY OR BRIDGE?

A Williamstown Problem.
When the engineer of the Williamstown City Council (Mr. Brooks) submitted plans for the proposed new ferry across the Yarra River between Williamstown and Port Melbourne, to the public works committee of the Council last night. Cr. Trevor Jones said he and a large number of ratepayers strongly favoured a transporter bridge which a company had offered to construct. He intimated that if

the Council persisted in raising a loan of £40,000 for the purpose of establishing a new ferry he would call a public meeting of protest, and demand that a referendum be taken.

The plans submitted were adopted.

GOLDEN WEDDING ANNIVERSARY

Mr. and Mrs. Charles Summers, of 68 Thompson Street, Williamstown, celebrated their golden wedding anniversary on Tuesday at a family dinner at the Southern Cross Hotel.

They were married 50 years ago at Kimberley, Tasmania, and came to Melbourne two years later. For the past 34 years they have lived at their present Williamstown address.

Their family includes 10 children, 15 grand-children and two great grand-children.

During the dinner they were presented with a gold wall clock.

Four generations gathered for the Golden Wedding celebrations of Mr. and Mrs. Charles Summers. Photographed with them from the left are grandson Mr. George Johnson, of Altona, holding his daughter Nicole, Mr. and Mrs. Summers, and their daughter Mrs. Joyce Johnson, of Altona North.

LIONS RAISE MONEY FOR CHARITY

Altona Lions Club and its Ladies' Auxiliary has raised sizeable sums for charitable work from recent functions.

A barbecue at which Mr. and Mrs. Joe Hanykyr were hosts at their home in Marsh St., Altona North, on Saturday, April 18, raised \$273.

A baby show staged by the ladies that afternoon was reported to be a "howling success." It raised about \$50.

An At Home conducted by the auxiliary eight nights previously realised \$130 profit.

Winners from the baby show were:

Birth 6 mths.: Joanne Hayes 1, Darryl Thompson 2, Leesa Kip 3; 6-12 mths.: James Simmonds 1, Nordena Robinson 2, Mark Cronin 3; 1-2 yrs.: Sharon Snowling 1, Simon Durante 2, Barbara Trickey and Ian Knott eq. 3.

2-3 yrs.: Rodney Garrard 1, Shane Coombes 2, Julie Lavery and Christopher Short eq. 3.

Champion baby: James Simmonds. Youngest baby: Faith Haugh (4 weeks). Best photograph: Julie Lavery.

Sisters Eaton and Festa, and Mr. Merrills, of the Altona Camera Club, acted as judges.

The At Home held at "Koorlingal" again proved to be a big success.

All the food was cooked and prepared by the ladies of the auxiliary.

Three wedding anniversaries were celebrated — Mr. and Mrs. D. McCauley (16 years), Mr. and Mrs. A. McDonald (25) and Mr. and Mrs. F. Smith (44). Lion Ed. Poole provided the music for dancing.

Engagements

HITCHCOCK—SYKES

Mr. and Mrs. W. Hitchcock, of 3 Akuna St., Altona, announce with pleasure the engagement of Christine to John, third son of Mr. and Mrs. C. Sykes of Lakes Entrance.

Mothers' Day Stall

On Friday, May 8 the Altona West State School Mothers' Club again will be holding a stall at the school selling gifts for mother.

Mothers of the school have worked tirelessly to provide a wide range of 700 gifts priced from 75 cents to 5 cents.

Parents are asked to allow their children to have pocket money for this day.

This is one of the two main efforts conducted each year by the Mothers' Club to raise funds for the school and the club seeks support of all parents.

ALTONA ROTARY

The problems of South Africa in regard to its apartheid policy were discussed by the guest speaker at last week's Rotary meeting.

He was Mr. John Latter, Information Attache at the South African Embassy.

Mr. Latter gave much factual detail of the relative populations, conditions and circumstances of the various peoples of South Africa. He endeavoured to show a similarity (in press reports at least) of the situation in South Africa and the Australian treatment of aborigines.

He said that overall the planning by the South African Government might be best described as a trial in the development of each racial group within its own culture but without intermingling racially.

Ladies' Guild Meeting

St. Eanswythe's Ladies Guild meeting will be held at the home of Mrs. Nevitt, 21 Harrington Street, Altona, on May 6 at 8 p.m.

If transport is needed please phone 398-2892.

Policewoman To Visit Baptist Church

Policewoman Sen. Constable Bowden, of the Flemington Police will speak of her work at a meeting at the Baptist Church Hall, Sargood Street, Altona, next Monday, May 4, at 8 p.m.

Policewoman Bowden's wide experience in all facets of police work will ensure a night of interest and information.

All responsible adults and teenagers in the community should make an effort to attend and hear her.

Supper will be served at the close of the meeting.

Camera Club News

At last Friday's meeting of the Altona Camera Club, discussions took place on the best methods of raising funds, and what type of building would best suit the needs of the camera club.

The judging of the April competition which was open, was carried out by Bob Hawkins. The results are:

Beginners: Black and white, 1st, Syd Thornton; Colour, 1st, Jack Bradley; 2nd, Frank Mallett.

Highly commended, Frank Mallett.

The May competition should be well under way, the theme being "Night Scene", which gives members a large field to work on. Entries must be handed to the print steward on May 22.

The camera club's next meeting will be held on Friday, May 8, in "The Home-stead", at 7.30 p.m. Ring J. Merrills at 398-1937 for further details.

EDITORIAL

KINDERGARTENS

The pre-school conference, with its support by the Williamstown and Altona Councils, was the first of its kind held in the Western Suburbs.

In view of the fact that children of parents of 33 nationalities are attending local kindergartens, it was very fitting that the theme of the guest speaker, Mr. David Cox, B.A., should be "The Migrant Child."

The point was well made that while the parent is usually the family "control," in migrant families the child is to an extent taking this position, and this more so in the case of the pre-school child. It is good in this sense too that "a little child shall lead them."

Many of these little folk of European parents are Australian born. Those who are not have greater problems of adjustment. As with other children they have to move from the self centred family life to the beginning of social activities. Those who, in addition, have to cope with different language and way of life are problems for the kindergarten leader.

The measure of success the teacher achieves will have direct results in such children taking their fuller part in the kindergarten life. But indirectly there can be many benefits to their mothers and fathers.

MR. DUNN TALKS TO ALTONA LIONS ON RADAR FOR THE BLIND

A torch-like instrument which enables blind people to get about was demonstrated to Altona Lions Club last Wednesday.

Held in the hand as a person moves forward, the instrument emits a sound which varies in tone according to whether an obstruction is in their path.

It can give warning of a drop for a gutter, the end of a building line or a person approaching.

"One blind woman reported after being given one that for the first time in 25 years she could go out and post letters and get about," reported Mr. Hugh Dunn.

"Eight-year-old Debra Henry, of Greensborough, uses one to move about."

"An 82-year-old man, Mr. Harry Tomkins, of Yarraville, is trained to use one."

Mr. Dunn is an honorary worker for the Radar for the Blind Club at 110 Rathdown St., Carlton, which aims to provide any blind person wanting one of the aids with one.

He told how the equipment, known as "Radar for the Blind," was a form of radar which released a burst of electro-magnetic energy into space. Upon striking any obstruction in its path the energy echoed back in the form of sound.

An instrument was produced in Britain and landed in Australia, it cost \$175.

"We will not let a blind person put his hand in his pocket to provide one," he said. "When we know someone wants one we go around selling things, appealing for money or any

way at all we can get one.

"Blind people formed their own "Radar for the Blind Club" in 1946 and are now getting some financial help through newspapers and in other ways."

"A Lions Club, an Apex Club and a knitting mills have provided a number of the aids."

Mr. Dunn added that a blind person was instructed in the use of the ultrasonic aid at a centre at holiday shacks at West Rosebud. They were soon able to handle it.

LETTER TO EDITOR

**LODGE POLLUTION
— PROTESTS**

SIR—I feel that Dr. Leyden, Crs. Croft and Grant should be commended for their stand taken in the fight against pollution in the Altona area.

The residents of Altona have only to look at the devastation to vegetation caused by air pollution in Queenstown, Tasmania, and they will realise what a serious threat this pollution problem is to our City.

This is a community problem, and should be dealt with by the community. So to the people of Altona, lodge your protest now before it is too late.

Yours etc.,
(Mrs.) A. Corbett.

Boys' Brigade For Altona?

Altona Council's general purposes committee will receive a deputation from the West Altona Gospel Mission to discuss the possibility of forming a company of the Boys' Brigade in West Altona.

Pastor A. Herlaar, of the Mission, told Council the Boy's Brigade was an organisation aimed at training young people along sound social lines to fit them to make a worthwhile contribution to the community.

He said the Brigade had added emphasis on Christian citizenship.

"This world-wide organisation, we feel, would be a welcome addition to the youth activities of our city, incorporating as it does any young person, regardless of religious persuasion," Pastor Herlaar said.

"However the Brigade rules stipulate that its members attend a church or Sunday school regularly, and each company is affiliated with a church.

"Amongst our membership are trained personnel. Also other trained leaders have offered their assistance. We have at our command people capable of efficiently conducting all aspects of the companies, both for boys and girls."

Pastor Herlaar said the Mission sought a deputation to find if the Council would allocate land for an assembly hall for youth activities.

He said the Mission was prepared to back the proposition financially and had a substantial sum already on hand.

Altona Meths. Ladies Guild

The Altona Methodist Ladies' Guild will be celebrating its birthday on Tuesday, May 5, at 1.30 p.m. in the church hall, Seves Street, Altona.

Mrs. Rose Henriksson of the Multiple Sclerosis Auxiliary of the VISCCA, will be guest speaker and all proceeds from the afternoon will be donated to that auxiliary.

Any ladies who wish to hear Mrs. Henriksson are cordially invited to attend.

MORNING COFFEE

Besemer ware will be demonstrated at a morning coffee party at 99 Queen Street, Altona, on Wednesday, May 6, at 10.30 a.m.

Organisers are members of the Altona District Hospital Ladies Auxiliary. Admission charge is 50 cents.

Coming functions include a luncheon and apron parade at Koorringal Golf Club at noon on Wednesday, May 27 and the annual Dinner Dance at the Fiesta on July 30.

Altona Primary School

Mothers are reminded of the next meeting commencing at 1.15 p.m. sharp on May 6, at the school and afterwards the "Modern Living" demonstration.

Members are asked to bring afternoon tea, also gifts for "lucky dip" for the bazaar.

New members and visitors will be most welcome.

INCE - BROWN WEDDING

—Photo by courtesy of Edwin R. Warden, 68-1996

The Rev. E. T. Withington hands the marriage certificate to Mr. Robert Clifford Ince and his bride, the former Susan Mary Brown, after their marriage on April 18 at the Holy Trinity Church, Williamstown.

The bride who is the youngest daughter of Mr. and Mrs. B. H. Brown of Maidstone Street, Altona, wore a gown of French lace over satin. Her fingertip length veil was held in place by organza roses and she carried a bouquet of frangipani and lily of the valley.

Bridesmaids were the bride's sister Wendy Brown, her cousin Ann Parsons and the groom's sister, Rosemary Ince. Flowergirls were Lindy Flatz and Susie Mueke. They all wore frocks of pale mauve sparkling nylon.

The groom who is the only son of Mr. and Mrs. C. R. Ince, of Bright, was attended by his cousin Kevin Morrissey as best man and groomsman Stanley Simpson and the bride's brother Roger Brown.

A black and white striped coat-frock and black accessories were worn by the bride's mother and a pale blue ensemble trimmed with lace was the choice of the groom's mother.

Among the guests at the reception at the Altona Youth Club hall were Scottish friends from Sydney. During the evening telegrams were read out from relatives in England.

Engagement

WALLACE—DALTON

Mr. and Mrs. P. Wallace of Seaholme have pleasure in announcing the engagement of their eldest daughter Jenny to Robert, younger son of Mrs. J. Singh, of Altona.

Seaholme Primary School

The next general meeting of Seaholme Primary School Mothers' Club will be held in the school library on Monday, May 4, at 1.30 p.m.

All mothers are welcome to attend.

Church Auxiliary Meeting

The Ladies Auxiliary of St. Mary's, Altona, will meet in the church meeting room, McBain Street, at 11 a.m. on Tuesday, May 5, to wrap gifts for the Mothers' Day stall.

After lunch, which mothers are asked to bring for themselves, the monthly meeting will commence at 2 p.m.

WEDDING

KENT—PIPER

Bridget Ruth, second daughter of Mr. and Mrs. Bill Piper of Railway Street, Altona was married on April 25 to Jeffrey Kent, eldest son of Mr. and Mrs. J. Kent of Carlisle, England at a ceremony at the Melbourne Registry Office.

A reception was held at the bride's parents' home.

The groom was an officer in the British Merchant Navy until he migrated to Australia last December.

After a honeymoon spent in Sydney, the happy couple will be returning to live in South Yarra.

Stanhope Demo.

Altona Presbyterian Girls gymnasium will benefit from the Stanhope Demonstration being held in the Church Hall, Civic Parade, Altona, at 2 p.m. next Saturday, May 2.

Admission 20 cents includes afternoon tea. All welcome.

Altona Ladies' Bowling Club

Altona Ladies' Bowling Club finished a very successful season on Thursday, April 23, with a novelty day, including toffee apples for the losing rink.

The winning rink was B. Davis, E. Byer and Q. Cox.

All members are looking forward to indoor bowls, which commence on Thursday, May 7 at 1 p.m.

Members sympathise with the family of their late esteemed member and assistant secretary, Min Woodyard.

SOCIAL AFTERNOON

The Altona High School Mothers' Club will hold a social afternoon at "The Homestead", at 1.30 p.m. on Monday, May 4.

The club will hold its meeting on Tuesday, May 5, at 1.30 p.m. at the school to be followed by a demonstration of Peters Cultured Foods.

On Friday, May 8, the Mothers' Club are having a street stall in Pier Street.

Val's Column

HELLO GIRLS,

This has been a marvellous week for me, girls. Had much pleasure visiting Cyclax factory and advisory centre. Three days discussing cosmetics. No, we didn't talk for long on powders, lipstick and colours — but the more beneficial lines and skin types.

There are specialised preparations that may interest you girls.

Blanche Cream for instance. A mild bleaching cream to whiten and soften the skin on hands, arms, face and neck. Uneven, fading sun-tan can be merged, brown patches faded. Bleach out redness or stains such as nicotine from neglected hands.

Finding your bloom allowing now that summer is leaving us? Ever thought of using a brush on your face when you wash? Yes, a soft pure bristle brush for deep cleansing of the skin with Complexion Soap—and the promoting of healthy circulation. This invigorating soap-and-brush action refines pores and enlivens the skin giving a glowing younger look. Special long-handle allows brush to be used across shoulders. Remember this when you next want to wear your evening dress. We tend to forget our shoulders, our neck until we put on sparkly jewellery.

Pretty up our face and leave an uncovered neck do tell a sad tale. Pamper your neck right now with Cyclax Cream for the Neck, Neo Jewex Cream. This cream is specially formulated for the care and protection of your neck. Use this cream at night to prevent dryness and wrinkling by conserving vital moisture and natural oils. Ask our girls the correct way to massage it into your skin. Not greasy. By day use Neckline under makeup to firm, tighten and add new elasticity to the throat muscles and restore youthful contour to line of your neck. Neckline is smoothing, softening with a special firming astringent action on those lazy muscles.

Bye.

HERBERT'S PHARMACY,

ROTARY DISTRICT 280 CONFERENCE

Altona Rotarians and their ladies—28 in all from this area—helped to swell the crowd to over 1,400 at the Albury Conference.

Special attention was paid to youth activities such as **Rotary Exchange** of students with overseas countries; **Interact**, a junior club for children in High Schools; **Rotact**, a club for young men and women between the ages of 17 and 25 years; **Ryla**, Rotary youth leadership award. A seminar held at Ormond College for youth leaders, young men and women who lead in youth centres, churches, YMCA, Scouts, etc.; and **Rotary Foundation**, a fund which sponsors technical training Fellows or Graduates to travel and further study overseas.

Six of these young people gave those present an informative talk on their experiences as the result of these scholarships.

A very interesting evening's entertainment was given by a group of 40 Exchange students from many countries throughout the world who sang folk songs and performed folk dances in national costumes.

The Sunday morning service held on the banks of the Hume, at Tallangatta was something to be seen to be believed—the singing of the hymns by a 1,000 voices echoed across the waters.

"Review and Renew" is the motto of Rotary this year, and it can be said that many Rotarians had the pleasure of renewing many fellowships on the occasion.

Clean Air

Altona Council will affiliate with the Clean Air Council of Victoria. Crs. D. K. Grant and W. L. J. Crofts will be the Council's representatives.

Tenders For Supermarket

Tenders have been received for the construction of a Woolworths' Supermarket at the corner of Pier and Queen Streets, Altona. Mr. J. L. Fitch, architect for Woolworths (Vic.) Ltd., told Council last week.

Square Dance Convention

The Victorian Square Dance Association's first convention, held at the Warburton Chalet, was a resounding success. So much so that those present voted to make it an annual event and have booked again for April, 1971.

Altona was well represented with 22 dancers present. As the weather was perfect the most popular spot in the swimming pool in the spacious grounds.

The ballroom was also very popular with the five callers keeping the dances moving. A very pleasant interlude was the concert on the Sunday afternoon by some of the dancers. A special mention to Harry, Altona's amateur caller, on his good job of calling to the convention.

The Altona Square dance is held every Thursday night in the Altona Youth Hall, Civic Parade. Dancing is from 8-11.15 p.m. to the calling of David Hooper. Ring 398 2708 for further details.

Lodge Site May Be Park

The Department of Crown Lands and Survey told Altona Council on Tuesday that the site sought by Council at Taggart for the Altona Youth Lodge was at present under consideration as a possible site for a National Park. The Department said it could proceed no further with the Council's application.

BROOKLYN WEST PRIMARY SCHOOL

In his Monthly Report to the School Committee of Brooklyn West Primary, the Principal Mr. E. L. Mitchell, said the Mobile Sequential Reading Scheme for the upper school had been re-organised and enlarged and was again in operation.

A member of the school staff, had been appointed news reporter and would prepare regular reports of school activities, including those of the Mother's Club and School Committee, for submission as news items to local newspapers.

Recent fire-drill exercises had been smoothly and efficiently carried out under the direction of fire-control officer Mr. Mike Tegg.

The Committee plans to hold working bees within the next few weeks to top dress the school oval and to re-seed sections where low areas have been filled. The outlet valves for the watering system will be raised and re-seated for more convenient use.

It is planned to construct two sets each, of portable basketball goal posts and volley ball net posts so that more children will be able to participate in sporting activities.

Sportsmaster Mr. Nal Manolakis is keen to have all pupils actively involved in either major or minor games and Committee members are anxious to assist in every way possible.

Application was made to V.I.C.S.S.O. for supply of 500 car stickers which will draw attention to the need for more State Aid for State Schools in the forthcoming State Elections.

At the next meeting, special consideration will be given to plans for planting suitable trees in the school grounds for decorative and shade purposes.

MOTHERS' CLUB

On Thursday afternoon of last week, a team of Mothers' Club members played the senior girls' basketball team and this proved to be a pleasant social occasion. The Mums showed their superiority in the second half and in the final quarter were able to relax and coast along to a 14-13 win. The match was a further activity in efforts being conducted to raise funds for sports equipment and resulted in more than \$12 being collected.

A stall will be held at the school on Thursday of next week, when pupils will be able to purchase inexpensive gifts which will be suitable for Mother's Day presents.

Recent donations by the Mother's Club to the school have included \$20 for purchase of records for the Infant Department, a large carpet square, a foam mattress with fabric furnishing for use on a cane lounge for the sick bay.

Flats Refused

Two applications by J. R. Raynor, Buckley Street, Footscray, to construct flats on four blocks of land in John Street, Altona North, have been refused by Altona Council.

The Council was opposed to consideration of land titles as proposed in the applications.

An application by M. and L. Zawadzki, of Barnato Grove, Armadale, to erect five 2-bedroom flats on land on the north side of Netta Street, Altona North, was approved.

LIGHTS

Three fluorescent lights will be placed on alternate poles in Maidstone Street, between Morrow Street and the Geelong railway crossing.

Council will take no further action on a suggestion that it light the right of way behind shops in Second Avenue.

No Money For College

The Minister for Education advised Altona Council last week that there were no funds available to establish a teachers' college in the Western Suburbs.

CITY OF WILLIAMSTOWN FIREMAN — STEAM FERRY

Applications are invited for the position of Fireman on the Steam Ferry.

Shift work is involved between 5.15 a.m. and 9.15 p.m. and overtime is payable for hours worked in excess of 40 hours per week.

Current wage rate is \$61.61 per week for a normal 40 hour week. Four weeks' Annual Leave is applicable.

Intending applicants may interview the Ferry Engineer (Mr. R. Cain) at the Steam Ferry, between 8 a.m. and 5 p.m. weekdays, for further information.

A.M.P. Record Week

AN ALL-TIME new business production record for new business was established by the Victorian branch collector representatives of the field collector department for the week of March 16.

The figures shown are one week's production and are compared with the previous record figures —

Coll. \$1,370,637; O.D. \$1,353,330; Combined \$2,723,967.

Previous Best: \$1,087,607; O.D. \$1,148,000; Combined \$2,235,607.

These figures reflect the trend of the rapidly growing insurance industry. The AMP field force collector department will exceed 500 men for the first time by 1971.

Nineteen seventy shows every indication of being another record year for the AMP Society.

200th Anniversary Of Cook's Landing

The 200th anniversary of Captain Cook's landing at Botany Bay will be celebrated on April 29 (today) under rather different circumstances from the first landing.

But the local Aborigines are not much happier about the anniversary celebrations than they were about the original landing.

According to World Book Encyclopedia, Cook found two Aborigines armed with spears who tried to stop him coming ashore until he fired his musket.

The Federal Council for the Advancement of Aborigines and Torres Strait Islanders still regards Cook's landing as the beginning of the European "invasion" of Australia and has urged its members not to take part in the anniversary celebrations.

WILLIAMSTOWN LIGHT OPERA COMPANY

Popular school teacher Laird Briggs who teaches at the Altona North High School is Musical Director for the "King and I" which is to be presented by the Williamstown Light Opera Company in a specially selected season timed to open at the beginning of the coming May school holidays — May 9-16.

President of the company Roy McQuade said that this will allow school children in the cast to appear every second night as set down in the regulations, and he also said that all the children who are coming to see the production can have a late night without parents becoming anxious of the youngsters being overtired for school — they can have a sleep-in the next day.

Laird Briggs is no newcomer to stage presentation in the musical comedy field, for he was Musical Director for the company's last brilliant production "Half a Sixpence" and only recently he produced and directed "The King and I" and "Oklahoma" at the Altona North High School. Theatre patrons who are interested in booking seats for the "King and I" may do so on Monday evenings at the company's theatre in Pickett Street, Footscray.

TPI SOCIAL CLUB

Seventy-nine members had an enjoyable afternoon at cards on April 23, the afternoon being opened in the usual way with "Lest We Forget."

Card winners were Mrs. Winzar (ladies) and Mr. R. Harris (gents).

Club members wish all those ill in hospital and at home a speedy recovery.

New members welcomed included Mr. Webb (Ascot Vale) and Mrs. C. Vipont (Footscray).

Next card afternoon will be 1.30 p.m. on May 7 in Manchester Unity Hall, Footscray.

ARMY'S EXPLOSIVE REPORT

ITEM 7: A three-inch mortar recovered off Williamstown beach by a skin diver; ITEM 9: A hand grenade found on the Bendigo golf course; ITEM 11: Another hand grenade found in a shed on a farm at Wandin North.

These are all extracts from the latest "Ammunition Souvenir Return" issued at Headquarters Southern Command, Victoria Barracks in Melbourne.

The report, which covers the months of February and March, shows that Army specialists travelled 1693 miles in Southern Command (Victoria and the Southern Riverina) to collect 202 pieces of live ammunition and 10 pieces of inert ammunition.

In many cases, they had to destroy war souvenirs... grenades and mortars usually... which were brought back to Australia by servicemen.

Often, the full story behind their discoveries is never revealed simply because these souvenirs are thoughtlessly dumped at rubbish tips, wasteland or public parks.

The report shows that on March 15, at Greenfield Park in Albury, a public recreation area, some children were found playing with 100 live detonators under a sports pavilion.

The detonators had probably been jettisoned by someone who considered them too hot to handle.

Fortunately, the president of an Army sports club, Captain Marty Tobin, was at Greenfield Park at the time. He immediately took charge of the detonators and arranged for their disposal.

Major Peter Johnson, the officer in charge of this phase of the Army's activities in Southern Command, was summoned hastily to the Melbourne suburb of Maidstone early in March to destroy a two-inch mortar. It had been dug up by PMG workmen and was packed with high explosive.

Despite the State-wide "amnesties" on ammunition souvenirs in recent years, this Army report shows that there is still plenty of work for Major Johnson and his team.

The Army offers the following suggestions —

DON'T dump any type of ornament thoughtlessly or deliberately.

DON'T touch or tamper with any suspicious object.

DO ring the Army or the police for expert advice...

the Army will collect weapons or ammunition souvenirs under a "no questions asked" policy.

Seaholme L.A. Club

On Sunday, May 3, at 12 o'clock the Seaholme Club will hold its 1st Cross Country run at the old Williamstown Racecourse. A barbecue lunch will follow. All parents and children interested are invited to participate.

Laboratory Assistant REQUIRED

If you want employment under congenial conditions (preferably full time) and an annual salary in excess of \$3,000, if you have qualifications better than matriculation and industry experience you are invited to ring 398-1301 for further particulars and appointment.

Union Protest On Tank Farm

The Williamstown Branch of the Amalgamated Engineering Union told Williamstown Council it objected to H. C. Sleigh Ltd.'s proposal to erect oil tanks on land at the corner of Kororoit Creek Road and Maddox Road.

"The union resolved to request the council to continue its opposition to the proposed scheme and to prevent further threats of tanks or other offensive industries in this area, and have it rezoned for housing, parkland or light industry", the council was told.

Council will inform the union it intends to continue its opposition to the proposals.

Junior Tennis Teams Win Two Pennants

Two pennants in the Under 16 summer tennis competition in the Western Suburbs were won by Altona teams — one by the girls and the other by the boys, and another boys' team finished runner-up.

In an exciting clash in the girls' Section 1 the result was not known until the last game was played.

The local team, Robyn Webb, Jenny Wise, Lesley Hyde and Yvette Robertson, defeated Liston-Esplanade. Although the games score was even — 24 games each — Altona won three sets to one.

Throughout the season this team only lost two games and drew one to finish on top of the ladder.

In another close match the Altona boys, playing in Section 3, Greg Scott, Michael Groves, John Bennett and Peter Forster, defeated Spotswood 2 sets all, but 22-19 games.

Altona finished second on the ladder to Spotswood who were undefeated before the finals. Altona tossed them in a semi-final and then the grand-final.

Unlucky in Section 2 were Brian Murphy, Jeff Hayes, Alan Findlay and Mark Forster.

They finished the season second to Liston on the ladder and these two teams played off in the grand-final.

The first grand-final match

Combined Pensioners' Association

The Williamstown-Newport Branch of the Combined Pensioners' Association held their monthly musical afternoon on April 27.

A splendid program was arranged under the direction of Mr. S. Gathercole with Mrs. Newbound at the piano.

Mrs. Proctor reported on a deputation which she attended with the State President and Secretary to Mr. Wilcox, Minister for Transport, to whom they put the case for pensioners travelling on off-peak tickets while other O.P. people were permitted to travel on the train leaving (in this case Williamstown) which arrives at Melbourne at 8.55 a.m. Pensioners must wait for train which arrives Melbourne at 9.30 a.m.

Mrs. Proctor said Mr. Wilcox gave them a good hearing and they felt that he will take some action.

Also mentioned was the question of concessions for pensioners travelling interstate.

It is realised that Ministers from all States must agree and they may be willing to reciprocate.

The next meeting will be held on May 8 at 1.30 p.m. at the Newport Library Hall.

was a draw and in the replay Altona went down by five games.

Photographs of the pennant winners will be taken at the courts at 10 a.m. next Sunday.

Council Urges Court Repairs

Williamstown Council will ask Mr. W. L. Floyd, MLC, to continue urging renovations of the Williamstown Court House.

"The position of the court is rather archaic", said Cr. M. J. Robertson. "There will soon be two sittings a week — on Wednesdays and Fridays."

"As a member of the bench I am rather embarrassed when I have to continually apologise for the conditions there."

"There is stacks of room around the courthouse, and this could be put to better use."

PARENTS' MEETING CALLS FOR RE-INSTATEMENT OF SACKED TEACHER

A meeting of parents of students attending the Altona North Technical School was held at the school last week.

The meeting was called to discuss the dismissal of Mrs. Julie Ingleby, a teacher at that school up to the time of her dismissal in December 1969.

Many members of the teaching staff were present at the meeting in addition to Mrs. Ingleby, who answered many questions asked of her by the parents.

Teachers and the secretary of the Technical Teachers' Association reported on events that had taken

place to date and all expressed full confidence in Mrs. Ingleby and spoke of her competence as a teacher.

After a full discussion took place and many questions were asked and answered, the following resolution was carried without one dissenting vote from an audience numbering some 60 people —

"This meeting of parents expresses the fullest confidence in Mrs. Julie Ingleby and recommends to the Education Department that she be re-instated at the earliest date."

This letter, accompanied with a list of names of the parents attending the meeting, was taken to the Education Department the following morning.

A further resolution called for the setting up of a committee to continue the campaign to have Mrs. Ingleby re-instated and upon being carried a committee was elected from the many parents who volunteered for the committee.

Stamp Collecting Is Educational

Many people say that stamp collecting is an educational hobby, but is there any actual proof of this? The answer is yes, says Mr. T. Congdon, Secretary of the Williamstown Philatelic Society.

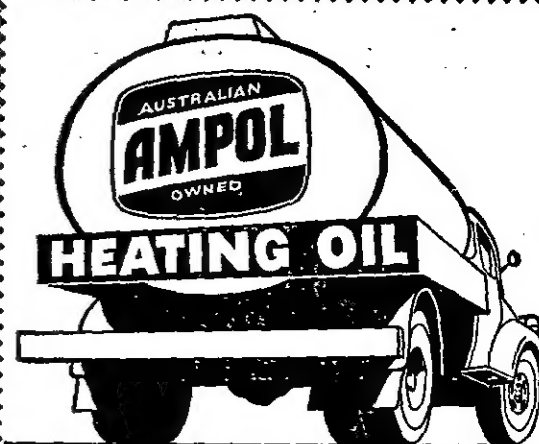

He reports that an exhaustive study of hobbies in relation to personalities, conducted by Dr. Paul L. Boynton, an American specialist in child intelligence, covering 258 schools in 31 States, and nearly 5,000 children between the ages of 9 and 11, revealed that "boys whose hobbies involved collecting had the highest I.Q., whilst those with no hobby at all were often below average in intelligence."

A further breakdown showed that "among the collectors, stamp hobbies were brighter and better adjusted than the boys who saved other things, such as match-box covers or cards."

Mr. Congdon asks parents to encourage children with their hobbies, and if they are interested in stamps, to bring them along to a meeting of the Williamstown Philatelic Society. Junior members are especially welcome. It only costs a junior 25c for a year's subscription and current junior members think it well worth the money, said Mr. Congdon.

He added, "Why, then, not come yourself? You might find that philately is not only for schoolboys. Consider Franklin D. Roosevelt, J. Edgar Hoover, Glenn Ford, Dag Hammarskjöld (past U.N. Secretary) and Ellery Queen. All were or are philatelists."

"Meetings are held on the third Thursday at 7.55 p.m. in the Williamstown Historical Museum, Mechanics Institute, 15 Electra Street, Williamstown. Visitors are always welcome."

LEARNERS**Guiding For Handicapped Girls**

In this day and age there is no need for anyone who is unfortunate enough to be handicapped in any way to sit down in a corner and commiserate with themselves.

The Guiding Movement accepts these girls and to cater for their special needs, have Extension Units where, although the Guide work is the same as in normal units, the girls are able to go along at their own pace and modifications are made ONLY if necessary.

Handicapped girls are those who are perhaps deaf, blind, crippled or mentally retarded. It is a very heart-warming sight indeed to see a limbed girl encircled in an inflated inner tube, splashing her way across a swimming pool in order to pass her swimming test. The endurance of some of these girls puts many of us to shame.

In the West Metropolitan Region, a unit of Extension Ranger Guides has already opened. One unit is operating in Sunshine and being run by Mrs. Harper in the Sunshine Mentally Retarded School. Another unit is due to open in the Gellibrand Division. The age group is from 14 years to 25 years.

Should you have a daughter who would be interested in joining, please contact the Region Commissioner, Mrs. Carlyon, who holds a waiting list and would be only too pleased to help.

The Extension Branch Auxiliary is a band of women who are willing to help these girls by raising money, helping with transport, camping and equipment.

They have already held a most successful coffee morning with a Naturopath, Miss McKee, as guest speaker. Future plans include a Cake Making Demonstration, a Mystic Party and a Watkins Demonstration.

This Branch Auxiliary is open for friends and interested people as well as parents of handicapped girls. Anyone wishing to have the privilege of helping should come along to the next meeting at 8 p.m. on May 4 at the home of Region Commissioner, Mrs. Carlyon, 66 Suffolk Street, West Footscray.

Colonial Gas To Lower Bills

The Colonial Gas Association Limited announced today its customers will pay less for gas over the next 12 months.

It said the first tariff modification would operate from June 1 when C.G.A. would discontinue its supply charge of \$1.10 and reduce its minimum monthly bill from \$1.10 to 80 cents.

The General Manager of the Colonial Gas Association Ltd., Mr. R. C. Arnold, said tonight the tariff modifications were being made as a result of C.G.A.'s successful completion in the last 10 months of its natural gas conversion programme to the 78,000 homes it services in the Eastern and Western Suburbs.

He said the immediate effect of the first tariff reduction would be to benefit 6,000 people who used small quantities of gas.

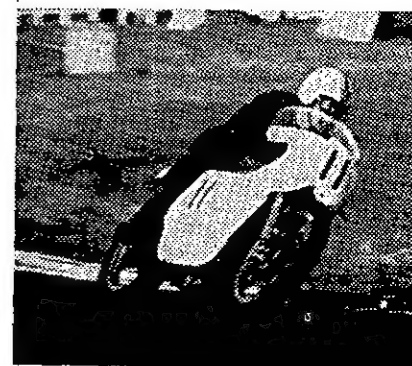

These would include small users such as pensioners, widows and people who lived alone.

Mr. Arnold said that at this stage the reductions being announced would not benefit the larger domestic user.

Already these users, however, by conversion to natural gas had benefited by a saving of up to 21% in their gas bills.

They would benefit further by reductions in tariffs to be made within the next 12 months.

Mr. Arnold said the Colonial Gas Association believed that with the growth of natural gas usage it was in the interests of the industry and community that gas tariffs be standardised throughout Victoria. The tariff alterations announced today were a further move towards this objective.

PIPELINE, CORRIDOR OR TANKERS

Quite different views were expressed by various Williamstown councillors on the question of the proposed ethane pipeline across the bay.

Once one pipeline was allowed across the bay, there would be continual requests to allow more, Cr. H. W. Clancy told Williamstown Council on Monday.

"This is just the thin edge of the wedge," he said.

Cr. Clancy was speaking in support of a motion by Cr. J. M. Byron directing that the Minister for Fuel and Power be informed that the Council opposed plans to place an ethane pipeline under the bay, but supported a suggestion by the Port Phillip Conservation Council that the gas be piped along an overland corridor around the city.

"We're not just planning for today or tomorrow," said Cr. Clancy. "We are planning for pipelines many years hence. We must have a plan instead of higgledy-piggledy development."

"Then you've done a backflip if you want organised development," said Cr. D. J. McDonald. "I am a councillor of Williamstown, and I'm only interested in what happens to Williamstown."

"The only place for a pipeline to come into our city is quietly from the sea — we don't want the city torn up by them putting it in a corridor."

"Ask any plumber. If you want to find a leak in a pipe, put it in water."

Cr. H. B. Whittaker said he had been told an oil pipeline would follow the gas pipe under the bay.

"I hope this is the case," he said. "The alternative is oil tankers tearing up our streets. An oil pipeline will eliminate 70 per cent. of the tankers berthing here."

The Mayor, Cr. R. Dawes, said he thought the planned corridor would follow the S.E.C. easement.

"I suggested that and the Mines Department expert said it couldn't be done because of electrolysis from the S.E.C. cables," said Cr. Whittaker.

Cr. C. B. Bates asked if the S.E.C. easement went through Williamstown.

"No," replied Cr. F. W. Jarrad. "It goes miles out through Deer Park."

"We didn't oppose the oil pipeline through the bay because it wouldn't have troubled our city," said Cr. P. G. Sadler. "Does anyone know where this corridor will go?"

"I'm a bit afraid that these people will say Williamstown doesn't matter — you can run a pipeline down Douglas Parade or anywhere."

"I don't think we should do anything until we know where it is going to go."

"The S.E.C. easement goes through Deer Park," said Cr. E. G. Smith. "If it goes through there, there is no possibility that it will come into Williamstown."

"If, if, if," commented Cr. Sadler.

"There would be a terrific saving in traffic if the end products could be transferred back to the eastern suburbs along the corridor," said Cr. L. R. Hoffmann.

"At present all the tankers plough through Williamstown, even though the refineries are not in our city."

"Now is the time to plan the corridor, while we are in

the early stages of Melbourne, not when the population reaches five million."

Cr. M. J. Robertson asked if the Council could seek assurances from the Minister that the corridor would not be detrimental to Williamstown, then debate the matter further.

"I'd be interested to know the attitude of other Councils where this corridor would pass through," said Cr. Whittaker. "It would take in nearly every municipality around the outskirts of Melbourne. Don't you think they will object?"

"At present there are only three Councils objecting to the pipeline going across the bay. The other way will have 20 or 30 Councils objecting."

"I'd be far happier seeing the oil pumped under the bay with a slight danger of pollution if I could get the tankers out of the river with the dangers that they bring."

Cr. Dawes said he felt no chances could be taken with bay pollution.

The Desert Song

The Melbourne Musicals is rehearsing at 46 Russell Street, Melbourne, on Tuesday evenings, 6 to 7.30, for its coming season of *The Desert Song*, to be presented in concert form. Singers are required in all sections of the choir. Further details 29-5640 (evenings).

Parents Without Partners

The Branch Meeting of Parents Without Partners, Western Branch, will be held on Saturday, May 9, at 8 p.m. Enquiries 379-5150 and 309-3895. New members welcome. The address of the Association is 104 Wellington Parade, East Melbourne.

THE CURTAIN RISES

BY THISBE

The first few nights of Ted Willis's "Woman in a Dressing Gown" played to large houses, some of which were party bookings from various well-known organisations around the town.

It has been very interesting to hear the comments of people who have seen the play for the first time.

The strong sense of reality is what seems to impress the audiences most of all. They feel that the play is so well written that they share the problems of the main characters in a special personal way.

The fine acting of the main characters and the excellent production by Loris Blake have made this play one of the most enjoyable evenings for a large number of people.

This play has particular appeal for the maturer audience who feel the situation more personally than the very young.

A very interesting set by Robert Hansen adds to the atmosphere.

Bookings are heavy, but there are still good seats available for early in the second week. Quite often there are cancellations available at the theatre after 7.30 p.m. on each night. A phone call to 397-6705 may secure you good seats.

Remember the season continues until Saturday, May 9 — make sure you do not miss the show you will hear discussed around the town with great enthusiasm.

Kilmore Old Boys' Reunion

Men who are past pupils of Assumption College, Kilmore, will again make the annual journey on the weekend of May 16 and 17 to meet school mates, current teachers, and to wander through the college and its picturesque grounds.

Those who have not been to the college for sometime will see many changes. Special efforts are being made to encourage Old Boys who left 20 years ago (1950) to return this year and in this way former classmates will be able to relive old times and see the changes for themselves.

Proceedings "hit off" with a game of golf on Saturday afternoon at the Kilmore course and then to the college lounge at 8 p.m. for the smoke social.

Fr. Frank Shortis, O. Carm., will celebrate the Reunion Mass in the parish church at 10.30 a.m., Sunday.

After Mass the usual reunion activities — dinner, annual general meeting and barbecue will take place.

The Association president, Tom Klemm, said recently that Old Boys who are regular Reunionists should fill their cars with other local Old Boys and in this way do their part in making the 1970 reunion a great success. "Brother Romuald is in his final year as College Director and many Old Boys should make a special effort to return this year to say their farewell," added Mr. Klemm.

Bookings for the reunion and bus can be made with Bob Ryan, 35 Millers Road, Altona, 3018 (398-1652 evenings) or Brian Constable (67-5584). Mr. Paul Lightfoot, reunion organiser, urges that these bookings be made immediately so that catering arrangements can be finalised.

LETTER TO EDITOR

"THE UMPIRE'S DECISION"

Sir, "The Umpire's Decision," that famous quotation of Sir Henry Bolte will surely go down as the most one-sided decision of the decade.

Pensioners and others forced to seek out an existence, some in squalid conditions, on the completely inadequate pension is a telling indictment of all Liberal Governments and apathetic voters for allowing it to happen.

Workers and other interested parties seeking improvements are forever reminded to "approach the proper authorities and abide by the umpire's decision."

This autocratic attitude is of little consolation to the thousands who see big combines able to adjust prices at will.

Removal of the Means Test and increasing Social Services, such as Child Endowment and Maternity Allowances, these items, if kept in relation to and reviewed with the National Wage would be a step for upgrading of humanity.

If providence has it that I am elected in May you can be sure that these matters will be foremost in my mind.

Yours faithfully,
K. L. BERRIE,
DLP Candidate for Melbourne West.

W.S.F.L. Flag Unfurling Proves Good Omen

BY WARDEN JAMES

Former West Newport secretary **Alby Parnell** unfurled the club's 1969 premiership pennant prior to the start of the match against South Kingsville on Saturday, and it proved a good omen.

Aided by a strong wind, West Newport piled on 8.10 in the first quarter and from then on the issue was never in doubt against a much-improved South Kingsville combination.

In other Western Suburban Football League matches played over the weekend, Central Altona proved too strong for Maidstone, while Altona City established a six-goal lead at half time over RAAF Point Cook and were able to run out easy winners, although the game was closer than the scores indicate.

The Newport - Brooklyn match started 20 minutes late because of Brooklyn's lack of players, but it made no difference to the result.

Newport attacked incessantly and with full forward Gerry MacNamara, who finished with eight goals, dominating, were able to pile on 26.27 to Brooklyn's solitary point.

RAAF Tottenham's Brian Carpenter was again his side's outstanding player at centre half back and but for his untiring efforts, Laverton's winning margin would have been much greater.

In UNDER 18, Altona's "B" side, although playing with only 16 men, put up a reasonably good showing against West Newport.

However, coach A. Johns was disappointed in the number of parents who came to watch their sons play and is looking for a big improvement next Sunday.

The Central Altona-Laverton match was a one-sided affair as Centrals recorded the highest score of the season so far.

Unfortunately both these teams were short of players. Centrals had 16, while Laverton started with 15 and finished with 12.

OPEN AGE

West Newport 22-20-152 d. South Kingsville 10-12-72. Central Altona 11-18-84 d. Maidstone 9-6-60. Newport 26-27-183 d. Brooklyn 0-1-1. Altona City 20-14-134 d. RAAF Point Cook 5-4-34. Laverton 17-17-119 d. RAAF Tottenham 4-5-29. Werribee had the bye.

Brilliant players for West Newport were A. Kennedy 1, I. Haloer 3, A. Chick 3, J. Cangan, D. Broughton 2 and H. Luttick 3. Others to score were Parsons 3, Borthwick 2, Taylor 2, Broadfoot and Browne-Kerr.

Battlers for an improved South Kingsville side were H. Kobylinski 3, S. Maddox 2, R. Amiguet 1, T. Allan 2, K. Stanbury and N. Surace. G. McPherson and Brian Stewart also scored.

Central Altona's star players were K. Gilchrist, K. Collins 1, J. Lott 3, M. Laurin, B. Trevean and N. Davies, while others to score were M. Kizan 2, N. Heath 2, C. Peatling 2, K. Callus and B. Kennedy.

Battlers for Maidstone were P. Heard, T. Neal, R. Tennick, S. Beasley, R. Constable and F. Delaney 3. Other goals were scored by T. Challis 3, L. Challis, N. Morrissey and G. Rankin.

Outstanding players for Newport were G. MacNamara 8, R. Kite 5, M. Brodie 1, K. Withers 2 and K. Ackerly, while others to score were J. Bester 3, R. Taylor 2 and B. Muschall 2.

Altona's stars were D. Brennan, R. Schwabe 4, K. Flett 2, G. Munro 2 and T. Hogan 5. Others to score were S. Chatfield 3, A. Molloy 2, P. Brennan and P. Reid.

Triers for RAAF Tottenham were B. Carpenter, G. Hopwood, T. Armit and L. Hollier 1, while other goals were scored by R. Lee, J. Kirby and J. Lume.

UNDER 18

Altona "A" 14-16-100 d. Newport 6-4-40. Central Altona 30-25-205 d. Laverton 3-5-28. West Newport 15-19-109 d. Altona "B" 7-6-48.

Stars for Altona "A" were R. Gordon, D. Chalmers, N. Courtot, W. Groves 1 and G. Wilson 2, while others to score were M. Beer 4, W. Patton 3, H.

Van Dyke 2, G. Blokkeerus and G. Morgan.

Battlers for Altona "B" were F. Greco, H. Zapart 1, H. Vanderpoel, W. Russell, R. Heaney and I. Hardham 2, while other goals were scored by K. Moylan, K. Haining 2 and W. Smith.

West Newport's stars were J. McLaren 4, B. Carrick and P. Carton, while G. Richardson also kicked four goals.

UNDER 16

Williamstown 16-10-106 d. Newport 4-3-27. Altona 15-23-113 d. West Newport 1-0-6. Devon Park had the bye.

Battlers for Newport were F. Callus, A. Shears, J. Dey and P. Dunn 3, while R. Woods scored the other goal.

Brilliant players for Altona were K. Churchill 5, D. Hitchcock, J. Hampton 2, C. Martin and D. Luck. Others to score were T. Hogan 2, W. Marsh 2, M. Beer and G. Groves.

FIXTURES

OPEN AGE
Central Altona v. West Newport. Brooklyn v. Maidstone. RAAF Point Cook v. Newport. RAAF Tottenham v. Altona. South Kingsville v. Werribee. Laverton have the bye.

UNDER 18

WESTGATE JUNIOR RUGBY

Playing The Australian Barbarians, Victoria surprised by leading at half-time and going down 24 to 16 after a very encouraging performance.

In the curtain-raiser Altona North Technical School, 8, lost to Box Hill, 12.

A.N.T.S. set the pace for a 3-all score at half-time. Box Hill rallied with three quick tries.

Wayne Tavendale won most of the set scrums and Wally Bakker dominated the line-outs to give plenty of ball to A.N.T.S., but with hesitancy in the inner backs upset by the quick follow through of Box Hill they failed to capitalise.

The game was fittingly ended by Andrew East, who from full back outmanoeuvred Box Hill's backs and completed his tenacious run three-quarters of the field by turning from touch in goal to score under the posts for a clean conversion by Shane Collisson.

Scorers: East 2 tries, Collisson goal. Saturday's match results:

UNDER 12

Williamstown Tech. School, 27, d. St. Paul's Primary, 12.

At the Strand Reserve a determined, smaller S.P.P. did well to run 12 points against the stronger W.T.S.

Scorers: M. Gurkin 3 tries, A. Szento, R. Marr. Goals: G. Elliott 3.

W'town-Altona Ramsdens, nil, lost to Sunshine Tech. School, 37.

The physical dominance of S.T.S. was very evident in this match, played at Strand Reserve.

UNDER 14

St. Paul's College, 33, d. Williamstown Tech. School, nil.

Playing at St. Paul's ground the home team was well led by Michael Gordon with some determined running and good ball handling. Moyle kicked well.

Scorers. — Tries: M. Gordon 5, G. Mitchell 2, M. Gil-mour. Goals: D. Moyle 4, G. McNamara.

Altona North Tech. School, 67, d. Sunshine Tech. School, nil.

In a pipe-opener for their curtain-raiser match the next day A.N.T.S. pulled out all stops.

Scorers. — Tries: McKendrick 5, East 4, Phillips 2, W. Bakker, R. Bakker, Gates, Collisson 2, G. Clarke. Goals: Collisson 7.

UNDER 16

Williamstown Tech. School, 15, d. Kiwi, nil.

This match will get W.T.S. onto their feet. Kiwis played short.

Scorers: P. Robinson 2 tries, W. Saunders 2, J. Mc-Laughlan.

Altona North Tech. School, nil, lost to Moorabbin, 27.

The well-drilled combination of Aspendale Tech. School's Under 14's left no opportunity slip to press home their experience over A.N.T.S.

NEXT WEEK'S GAMES

UNDER 12. — STS v. WTS at Footscray. W.A. Ramsdens v. St. Paul's Primary at the Strand Reserve.

UNDER 14. — STS v. WTS at Footscray. St. Paul's v. ANTS at St. Paul's College.

UNDER 16. — STS v. Box Hill at Footscray. ANTS v. Power House at Langshaws Reserve. WTS at Moorabbin at Moorabbin.

D. Wilson d. S. Andrews, 8-6.

Newport Baseball Club

ERRORS COST NEWPORT WIN

The game started off badly for Newport when Port Melbourne batted in the first dig. Two infield errors cost three runs.

In Newport's equalising innings they got two hits but could not score. Harry Bunting was pitching well but the field was not backing him up, allowing Port to score more runs.

In Newport's sixth innings they got 5 hits and scored 3 runs. Although Newport fought hard all the way they were beaten 7-5.

Safe Hits: H. Bunting 2, S. Bunting 2, B. Minett, R. Simpson, J. Merriman, B. Ockwell, J. Young.
Best: H. Bunting, S. Bunting.

This Saturday's Games
A TEAM play Fitzroy at Straw Field at 12 noon.
B TEAM at home, 12.30 p.m.
C TEAM away at Merri Park, 2 p.m. start.

R. Siedlecki-T. Hill d. B. Baldie-I. Garlick (final), 6-2, 6-0.

D. Wilson-A. Clements d. N. Garlick-K. Godfrey (final), 5-6, 6-2, 7-5.

G. Weaver-T. Richards d. G. Nolan-S. Dvorik, 11-9.
G. Weaver-T. Richards d. R. Kidd-S. Howard, 8-2.
S. Dvorik d. R. Richards, 10-8.

I. and U. Papworth d. R. Kidd-S. Howard, 8-5.
I. and U. Papworth d. N. Carlton-F. Gardiner, 8-5.
J. Heaviside-V. Hunter d. G. Weaver-L. Cox, 8-3.
G. John-K. Morrison d. B. and J. Lampard, 8-4.
D. and J. Swift d. C. Grey-M. Morrison, 8-3.
L. and T. Richards d. G. John-K. Morrison, 8-5.

CHURCHES

RESULTS ROUND 2

Ken Berrie Candidate For Melb. West

The endorsed DLP candidate for Melbourne West is Mr Ken Berrie of Altona North.

Mr Berrie is a family man with three small children. He is keenly interested in trade union and political affairs, and has previously contested State elections as the DLP candidate for Williamstown in 1964 and Melbourne West in 1967.

Because he considers that social welfare is badly neglected by the present government, particularly in relation to child endowment and maternity grants, Ken Berrie is contesting the Melbourne West Upper House Seat once more. The Means Test should be abolished and pensioners income improved in relation to the basic wage, says Mr Berrie.

He will be promoting DLP policies for further aid to all forms of education, both State and independent. He further considers that home ownership for all should become a reality.

Mr Berrie feels well qualified to represent the people in the electorate he has lived in all his life.

Ltd., 60 Dawson St., Brunswick, 3056. Phone 38-2131.

ALAN McLENNAN WINS BOB ROBSON MEMORIAL TROPHY

Owing to an excellent response by the members of the Footscray Cycling Club last Saturday's staging of the Bob Robson Memorial One Hour Criterion had to be broken up into two races featuring four different grades.

Frank Zanatta outrode his opponents to win the combined C and D Grade sections, while David Hobbs carried off the D Grade prize.

Bob Taylor and Neil Allen filled the placings in D Grade

and Colin Thompson and Rick Martin did likewise in C Grade.

The battle for the Memorial Trophy between the A and B Grade riders provided a thriller from start to finish. The eventual winner, Footscray international, Alan McLennan had to use all of his experience and speed to defeat a gallant Leon Constantinou.

Alan and Leon both amassed the same number of points but Alan was awarded the race due to his higher placing in the final sprint.

Third placing went to Colin Burnard who featured in a determined breakaway in the middle stages of the race.

Tom Hill defeated Bruce Watson for the B Grade prize with third placing going to John Beasley.

Results:

BOB ROBSON MEMORIAL ONE HOUR CRITERION

A GRADE. — 1, A. McLennan; 2, L. Constantinou; 3, C. Burnard.

B GRADE. — 1, T. Hill; 2, B. Watson; 3, J. Beasley.

Outright Winner: A. McLennan.

C GRADE. — 1, F. Zanatta; 2, C. Thompson; 3, R. Martin.

D GRADE. — 1, D. Hobbs; 2, B. Taylor; 3, N. Allen.

Outright Winner: F. Zanatta.

On Saturday, April 18, the club road season got underway with the staging of a 30 mile handicap.

Star of the race was Leon Constantinou who rode unopposed through the field to record first placing and fastest time.

A strongly built lad with an ideal temperament Leon seems destined for bigger things in the bike game.

Tony Robson battled on to take second placing while Colin Robson finished third. They both tried desperately to hold Leon but he had too much power.

Results:

30 Mile Handicap. — 1st and fastest time, L. Constantinou, handicap 3 mins., 30 secs.; 2nd, T. Robson, 3 mins., 30 secs.; 3rd, C. Robson, 9 mins., 30 secs.

Aggregate Points: L. Constantinou 21, T. Robson 10, C. Robson 6, G. Salter 2, I. Salter 2, T. Reynolds 2, M. Reynolds 2.

This coming Saturday the club race will start at the corner of Aviation and Sneydes Road at 2 p.m.

THE election of office-bearers for Committee of Emma McLean Kindergarten, 71 Hope Street, Spotswood, on May 5, at 8 p.m.

IN MEMORIAM

COXON. — In loving memory of our dear friend, Gran. Loving memories keep you near. — Inserted by Ann and Harold, Newport.

CRITCHLEY. — In loving memory of my darling husband, Joseph Banks Critchley, who passed away May 1, 1946. Like fallen leaves the days go by, But loving memories never die. — Inserted by his loving wife and family.

CRITCHLEY. — In loving memory of my dear father and loved father-in-law, Joseph Banks Critchley, who passed away on May 1, 1946. Will always be remembered. — Inserted by Fred and Mavis Critchley.

GRADY, Phillip Allan. — Fell asleep April 28, 1967. In God's care. — Loved nephew of Auntie Phyl, Auntie Myrt and Uncle Lac.

GRIEVE. — Treasured memories of our dear mother, passed away April 18. Also our dear father, December 22. Deep in our hearts a memory is kept. Of the two we loved and will never forget. — Loving son Geoffrey, daughter-in-law Heather and granddaughter Carol.

HART (Duncan). — In memory of Mum, passed away April 29, 1958. Also Dad, March 9, 1943. Forever in our thoughts. — Your loving daughter Edna, Doody and family.

HART (Duncan). — In loving memory of Mum, passed away April 29, 1958. Also Dad, March 9, 1943. Peacefully sleeping. — Josie, Ernie, Fay and Jean Murphy.

HART (Duncan). — In loving memory of dear Mum, who passed away April 29, 1958. Also dear Dad, who died March 9, 1943. Loved and remembered. — Glad, Jack, John (dec.) and Helen.

HART (Duncan). — In loving memory of our dear Mum, who passed away April 29, 1958. Also dear Dad, who died March 9, 1943. Always remembered. — Betty, Peter, Peter Jr., Lee and Judith.

IN MEMORIAM

HUGHES, Christine. — Passed away April 27, 1967. In loving memory of a wonderful wife, Christine. Precious memories forever kept. Of one too dear to ever forget. I miss her kind and loving ways. With her I spent my happiest days. — Loving husband Harry.

HUGHES, Christine. — Passed away April 27, 1967. God's golden gates were open three years ago today. With farewells left unspoken you quietly passed away. To a beautiful garden in heaven. Down a beautiful, peaceful lane. That's where you will be waiting Until we meet again. — Your loving son Angus, daughter-in-law Marlene, grandchildren Helen, Denise, David and Christine.

JOHNS, Barry. — Our beloved grandson, May 1, 1969. Like falling leaves the years go by, But loving memories never die. — From Nanna and Poppa Cruse.

ROE, Estella. — Passed away May 1, 1967. To those who have a mother. Cherish her with care For you never know the heartache Till you find she isn't there. We miss you Mum. — Your loving daughters, Margo, Norma and families.

SWIFT, Lottie. — In loving memory of Lottie Swift, mother of Elsie and Roy, grandmother of Robyn, Helen, Stephen, Jennifer and Heather. Remembered with love.

WILSON, Doris. — Loving memories of a wonderful mother, fell asleep May 2, 1969. She has not gone from those she loved. Nor has she wandered far. Just entered God's beautiful garden And left the gate ajar. To your resting place I wander. Place flowers with loving care. But no-one knows the heartache When I turn and leave you there. — Your loving daughter Marjorie, son-in-law Clarrie, grandchildren Bernard, Jenny and Roger.

Further particulars may be obtained from the City Librarian by telephoning 397-5257, between 9 a.m. and 5 p.m.

Applications, together with at least two references, should be addressed to the undersigned at the Municipal Offices, 102 Ferguson Street, Williamstown.

J. E. MORLEY,
Town Clerk and Manager.

Altona Down League Soccer Leaders

With a display of power soccer, Altona City knocked Elwood-Austria right off their pedestal, and in such a fashion that left no doubt as to who was the superior team.

The final score was 2-nil in favor of Altona but it could have been many more as the Maroons missed at least four open goals.

Once again Altona had to play against a strong wind in the first half.

Ian Hynes has the defence well organised and with Roberts back to his best in goals they presented a formidable barrier to the Elwood forwards.

Altona's forwards, with Billy Savage back in the middle were sparkling. Herman and King were running riot, with Jimmy Ackers and Tom Kean doing well and Austria were in terrible trouble.

Vanypern and Savage both missed good chances, but it was tremendous to see the skill the Altona players showed — teamwork, speed and an open style of play that had the large contingent of supporters gasping.

Using the wind Austria made attempts to try and penetrate the Altona defence. Karamatos was a "rock" and Ormerod and Copley could even take time off to move up with the forwards.

Savage nearly put Altona ahead with a blazing shot from 20 yards out. However, it flew narrowly past the post. Half-time saw the game scoreless.

Now Altona had the benefit of a strong breeze and they used it to full advantage.

Hynes and Ackers had the right idea and it was only a matter of time until a goal came their way.

However, Savage and Herman both missed open goals and Vanypern crashed a shot onto the outside of the post. The Maroons weren't going to find it easy to open their account.

Billy Savage, using cunning, split the Elwood defence wide open and Roy King belted home a great goal.

One goal wasn't enough and a constant and relentless bombardment of Elwood goal took place. Free kicks were being awarded regularly to Altona as Austria defended desperately.

Vanypern took a corner on the left and Steve Herman raced in to net goal No. 2.

In a breakaway raid Elwood nearly scored but Roberts with a flying save kept the ball out and the game finished with Altona victorious by 2 goals to nil.

This was a top class display by Altona and they can look forward to this week's third round of the Dockerty Cup game at Ringwood United's ground with a certain amount of confidence in what is expected to be a very hard game.

In Saturday's reserve game Stuart Colbary made his debut and had a good game scoring a smart goal. Altona lost 2-1. The young lads are playing well and before long they, too, will be winning more than their share of games.

JUNIORS**UNDER 14**

Altona were in fine form for this game against Sunshine City at Kim Reserve on Saturday last and ran out winners by 12 goals to nil.

Playing good, open soccer Altona ran Sunshine off their feet and made scoring look easy.

Reilly and Gramsbergen at half-back never gave Sunshine a chance to break through and they saw that the forwards had plenty of the ball to get goals.

Downes had a good game with six goals and Hamill three but all the team did well and it was hard to pick any best players.

UNDER 16

At home to West Newport, Altona did well to record an 8-nil victory.

Bob Saxton ran riot as did Micheski who had his best game of the season, but again it was hard to single out best players.

UNDER 13

Altona, at home to Sunshine Heights, never found their best until late in the game but by then they were four goals down. It was a good effort to score two goals to make it 4-2 at the close of play. Against a much bigger side Altona played reasonably well.

Vanderpoel played hard and McMahon tried hard as did Totney and Burgess.

Next week is the first round of the Victorian Cup ties.

Under 11 play Our Lady Sunshine at Altona, 1 p.m.

Under 1 play Triestina at Altona, 2.30 p.m.

Under 16 play Alexandra at Altona, 1.15 p.m.

Under 14 play Broadmeadows, away, 10 a.m.

Altona Tennis Club

Greg Findlay and John Trickey, Jr., will play off for the title in the Men's A Grade Singles Championship of Altona Tennis Club.

Results of semi-final matches were:
Greg Findlay defeated Ron Graham, 4-6, 6-3, 7-5.

John Trickey, Jr., defeated Robert Walker, 6-4, 6-3.

Further matches in the club championships to be played this Sunday morning are:

9 a.m.: H. Shields v. W. Thomas v. B. Sandilands-G. Woods.

11 a.m.: R. Webb v. H. Shields.

9 a.m.: J. Critchley v. S. Keown.

10 a.m.: L. Hyde v. Y. Robertson.

11 a.m.: L. Smith v. B. Sandilands.

Entry forms now available for the Under 16 club championships must be lodged with the club secretary by Saturday, May 9.

All players must be at the courts no later than 12.45 p.m.

Players are reminded that registration fees (30c) must be paid by the fourth match if they wish to continue playing in the teams.

CENTRALS HAVE FIRST WIN

In a scramble game Centrals took three quarter to get their teamwork going and get on top of Maidstone.

First Quarter

On the slippery ground Centrals fumbled badly and Maidstone were showing Centrals how to score goals.

However, Central's greater teamwork was becoming evident but they could only manage points.

Collins was firing his side and good play from Jeff Lott resulted in a goal for Centrals.

Second Quarter

Centrals lapsed in between brilliant teamwork to poor, fumbling play with Collins, Gilchrist and Lott giving Centrals drive.

Centrals were again off target but their backline conceded only one point for the quarter.

Third Quarter

Centrals started well with a goal from Kennedy but Maidstone, using the wind well, booted five goals.

Centrals again rallied through a splendid diving mark from Lott who goaled.

Final Quarter

Centrals took charge from the centre bounce and goals came quickly through the steady play of Heath and Lott.

With the deficit made up Centrals booted several points before Peatling put paid to Maidstone's chances of catching up with two quick goals.

Final scores: Central Altona, 11-18-84; Maidstone, 9-6-60.

UNDER 16

In a power display of play on football Centrals dominated the small Laverton side.

All players contributed to the great win and Centrals expect to do better against the top sides.

Scores: Central Altona, 30-25-205; Laverton, 3-5-23.

Altona City Downs Glamor Side

Altona City met RAAF Point Cook last Saturday and were expecting a hard, tough game, but with determination and great teamwork the City ran out easy winners.

First Quarter

RAAF won the toss and elected to kick with the wind. At the bounce Altona won the knockout but it was quickly "sharked" by the RAAF rovers who immediately put them into attack which resulted in the first goal of the match.

A few minutes later RAAF Pt. Cook had their second major on the board, but this burst was short lived as Altona, after a slow beginning, started to fire. Good ruck work by D. York and P. Brennan sent Altona into attack and after a splendid mark by T. Hogan Altona had their first goal on the board.

From then on goals came in quick succession for Altona from A. Molloy, R. Schwabe and two more from Tom Hogan.

By this time the Altona forwards were playing copy-book football and ended the quarter with the scores being: Altona, 5-1; RAAF, 2-1.

Second Quarter

This term opened up with Altona straight into attack with excellent teamwork. RAAF had no counter to the handball and backing-up of every Altona player.

The return of G. Brennan in the centre, ably assisted by P. Reid and L. Egan continually drove the ball forward and in this quarter goals were scored by S. Chatfield, P. Reid, R. Schwabe, A. Molloy and D. Munro.

At half-time the City had a commanding lead. Scores: Altona City 10-6; RAAF, 3-1.

Third Quarter

Altona came out determined to hold RAAF who had the wind advantage and with excellent defence by I. Harris, D. Brennan, J. Butterworth, R. Zapart and P. Itter, kept forcing RAAF into errors resulting in their kicking 1-5. Altona continued with excellent marking by D. Munro, T. Hogan, R. Schwabe and S. Chatfield to go further ahead by adding another 4 goals to their score.

Good, rugged football by M. Tisdale, K. Flett, A. Molloy, R. Lawson and P. Brennan helped make this quarter the complete downfall of the glamor side.

Final Quarter

This quarter was all Altona who scored from all angles. The talking, handball and backing-up of each player to one another throughout the game was a feature and if they continue in this vein no team will hold them this season.

Final scores: Altona City, 20-10; RAAF Pt. Cook, 5-6.

Goals: T. Hogan 5, S. Chatfield 3, R. Schwabe 3, A. Molloy 2, K. Flett 2, D. Munro 2, P. Reid, D. York, P. Brennan.

Best: The whole team.

STAR VOTES

T. HOGAN 3 pts.
P. BRENNAN 2 pts.
M. TISDALE 1 pt.

Progressive voting: A. Molloy 3, D. Brennan 3, T. Hogan 3, G. Munro 2, S. Chatfield 2, P. Brennan 2, R. Zapart 1, K. Flett 1, M. Tisdale 1.

The Special Effort was won by Alan Lyons.

UNDER 18

Altona City v. Newport
In weather not conducive to good football both teams battled hard all day. Full credit to all players for trying all day.

Best: Condon, Groves, Wilson, Courtot, Chalmers.

Goals: Beer 4, Patton 3, Van Dyke 2, Wilson 2, Bloknerus, Groves Morgan.

Altona City v. West Newport
Only 16 players arrived at West Newport. Altona started the game with the wind but West Newport were far more

superior in the air than City. After a slow start Altona picked up in the last half where their ground play was outstanding.

Best: Grego (best on the ground), Zappart, Vanderpoel, Russell, Htaney, Hardham.

Goals: Haining 2, Hardham 2, Smith, Zappart, Moylan.

Scores: West Newport, 15-19; Altona City, 7-6.

Coach A. Johns was disappointed at the non-attendance of players and parents and hopes they will take an interest in their club.

UNDER 16

Altona City v. West Newport
Altona City played good football and had an easy victory over West Newport.

Best on the ground for Altona City was Churchill who kicked 5 goals.

Hitchcock, Hogan, Martin, Hampton and Luck played well.

Goals: Churchill 5, Hogan 2, Marsh 2, Hampton 2, Beer, Groves.

Scores: Altona City, 15-23; West Newport, 1-0.

ALTONA DRAW WITH KEW IN A GRADE HOCKEY

Playing away against top-rated side Kew, Altona gained another premiership point in forcing a 3-all draw.

What a remarkable game! It had everything — six goals, three penalty flicks, hard and fast hockey from both sides from start to finish. Some players played poorly others brilliantly.

At times the game was only mediocre with poor hitting and misdirected passing but then this passage would be overshadowed by a sudden surge by one side or the other, usually culminating in a goal.

Altona had stars at both ends of the ground. Bruce Forrester scored all three goals and Bob Verity stopped many shots including two penalty flicks.

Although Kew applied great pressure, Altona seemed well set for a win when just before half-time they led 2-0, but Kew finally broke through with two goals to make it even-stevens at the interval.

Another goal to Kew and it looked all over.

Positional changes and resentment to an injury to Gavin Bowden put a spark into Altona and they charged into attack. A goal levelled the scores but amid great excitement time ran out.

Best: Verity, Forrester, P. Hunter, G. Bowden.
C North defeated Essendon, 5-1.

Altona continued to prove that it should not have been dropped from B Grade by outclassing Essendon.

If current form can be retained the team should be back in B Grade next season.

The forward line displayed much improved teamwork enabling H. Doerner to score 3 goals and E. McCauley 1.

For the second week the penalty corner combination of I. Bennett, R. Byrne and K. Robertson scored and with a little more practice could score many more goals before the season ends.

Altona City Football Club

LADIES' COMMITTEE MEETING

will be held on

WEDNESDAY, APRIL 29

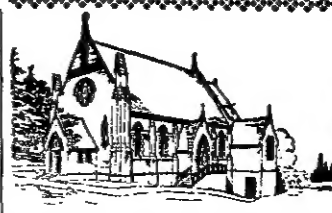

at 8 p.m.

MORE LADY MEMBERS ARE NEEDED TO FORM A COMMITTEE. THE MEETING WILL BE HELD AT 18 STANLEY STREET, ALTONA.

PLEASE COME

Watering Down The Municipal Dollar

Victorian councils are perturbed by the fact that the purchasing power of the municipal dollar is watered down by the failure of the Federal and State Government to recognise local government as a partner in government, according to the Municipal Association of Victoria.

Cr. William Thwaites, president of the Municipal Association, has pointed out that ratepayers were entitled to know why their rates were "loaded" with unfair and unnecessary burdens. The first burden was the payroll tax demanded by the Federal Government. Victorian councils were forced to pay well over a million dollars a year in payroll tax and they objected strongly to the Commonwealth abusing its power by imposing a revenue tax upon another level of government.

The second burden, said Cr. Thwaites, arose from the fact that State subsidies toward the cost of such services as infant welfare, immunisation, home help and libraries, were not up-dated regularly to provide the degree of State assistance they were designed to give. These subsidies remained static for long periods and the burden of rising costs and heavier public demand for the services meant that councils had to carry an undue proportion of the cost, adding to the level of council rates.

Cr. Thwaites said that councils had begun distribution of small leaflets directing attention to the unsatisfactory position which had arisen as a result of the injustice these matters caused when they had to be passed on to ratepayers.

Municipal government was a co-operative undertaking in which all ratepayers paid a proportion of the cost of providing a wide range of municipal services which added to our living standards.

However, ratepayers had to pay more than their fair share because the Federal and State Governments treated councils as the cinderellas of government.

Altona Centre Little Athletics

The First Annual Meeting of the Altona Centre will be held in the Library of the Seaholme State School, corner of Millers Road and Civic Parade, Altona, on Thursday, May 14, at 7.45 p.m.

Nominations for the Executive Council of the Altona Centre will be received by the Centre Secretary at least seven days prior to May 14, such nominations to include the Executive Council positions for which the nominee is being nominated and signed by the President and Secretary of the nominating club.

Executive Council nominations will be received for:

- (a) President.
- (b) Chairman.
- (c) Secretary.
- (d) Treasurer.
- (e) Registrar.
- (f) Executive for Inter-club Track and Field Competition.
- (g) Executive for Inter-club Cross-country Competition.
- (h) Executive for Championships and Special Meetings.
- (i) Executive for Publicity and Public Relations.
- (j) Executive for Education.
- (k) Executive for Organisation of Officials.
- (l) Executive for Technical Requirements.
- (m) Executive for Club Liaison.
- (n) Executive for Records and Ranking.

The two delegates representing each club at the Annual Meeting shall be eligible to vote in the election of the Executive Council.

Altona Pres. Basketball

C Grade had the chance for victory but because of bad throwing went down to Yarraville Congs. (1), 20-17, after a very exciting game.

Best: Kerri McCullagh, Tracey Morgan.

B Reserve showed excellent form and had a very good win against Yarraville Baptists. There were few mistakes made and the final score was 67-4.

Best: Hazel Green, Jenny Harrington, Tassie Said.

CLUB NOTES

The Selection Committee will commence earlier (7 p.m.) to be followed by an Executive meeting at 8.30 p.m.

Don't forget the Trots Night on June 6. See Brian Smith or Mrs. R. Studley.

An under age member of Croydon Club has lost a full-sized hockey stick with short hook, red and white striped handle at Grant Reserve two weeks ago. Anybody knowing whereabouts of same, please contact Eric Symons or Bill Smith.
